### A Few Facts Concerning

## Rupture

In order to become proficient in the cure of rupture, years of preparation and  
experience are necessary in order to practice with any degree of certainty.  
Dr. W. A. Lewin, the rupture specialist, is a graduate of several European and  
American colleges and has devoted many years to the study of this particular  
branch of medical science.

He treats rupture without the use of the knife, without drawing blood,  
without danger and without detention from regular occupation.  
All is accomplished within a few weeks and no one is pronounced cured until  
the opening through which the intestines protrude is entirely closed and perma-  
nently healed. This is done by building up new tissue, a growth similar to that  
over a wound that has healed, so that the patient is stronger at this spot than  
he was before the rupture occurred.

Consultation and advice free. No pay required until cured to your entire  
satisfaction. Send for free booklet containing testimonials. 10,000 patients  
cured. Call or address,

From a Neighbor's Standpoint.

The Republicans of Iron county  
met in delegate convention last  
Saturday and nominated a ticket  
that deserves more than passing  
notice. The Republicans of that  
county have never been able to  
land any of their number at the  
poll counter except in the land  
slide of 1894 they succeeded be-  
cause of the apathy in the Demo-  
cratic party in electing a repre-  
sentative.

Since that time they have never  
had a glimpse of the promised  
land. Realizing the hopelessness  
of ever getting to the public crib  
while sailing under their true col-  
ors, the Republican bosses put  
their heads together and decided  
that if they ever got their feet into  
the pie through it would be neces-  
sary to get a few disgruntled Demo-  
crats to pull their chestnuts from  
the fire. The proceedings of the  
convention reveal the fact that a  
part of their plan, at least, has suc-  
ceeded. Whether they will ulti-  
mately succeed depends upon the  
courage and patriotism of the  
Democrats of Iron county. Among  
other things done at the conven-  
tion, the following resolutions were  
adopted, report says, "as read":

"We, the Republicans of Iron  
county, in convention assembled,  
do hereby indorse the thoroughly  
American administration of our  
President, Theodore Roosevelt.  
We point with pride to his clean,  
business-like and capable manage-  
ment of our national government.  
"We pledge our support to the  
Republican party in this campaign  
in its efforts to establish a clean  
State government, and by our  
votes aid in electing Cyrus P. Wal-  
bridge Governor of the State of  
Missouri."

We are not acquainted with the  
gentlemen who compose the part  
of the ticket nominated that is  
supposed to appeal to the dis-  
gruntled element in the Demo-  
cratic party. The presumption is  
that they are honest and sincere,  
but how any man who is a Demo-  
crat from principle or even a  
"Democrat in politics" can indorse  
the resolutions reported above is  
beyond our comprehension. Some  
of the men nominated on this hy-  
brid ticket have been before the  
people asking for office at the  
hands of the Democratic party and  
by so doing, virtually pledged  
themselves to support the nomi-  
nees of the party. We are not ad-  
vised as to the cause of their de-  
feat but have never heard the suc-  
cessful candidates charged with  
having used fraud, violence, or  
bribery to secure their nomination.  
If these men were not beaten by  
any of the means mentioned they  
are as much bound, morally, to  
support the ticket as if they were  
on the ticket themselves. There is  
another feature of the case, how-  
ever, more important in its bear-  
ing on the future political career  
of these gentlemen. That they are  
being used as cats' paws by the  
Republicans goes without saying.  
A careful reading of the "slobber-  
ing over" indulged in by the in-  
dependent (?) organ at Ironton  
would lead one to believe these so-  
called Democrats to be the most  
eminently qualified of any men  
who ever aspired to office in this  
country. If they possess one half  
the intelligence ascribed to them  
by this slobber dispenser they  
know that if the Republicans were  
in the majority in Iron county that  
they would not be allowed even  
the crumbs that fall from the po-  
litical pie counter. They know  
that if the Republicans ever gain  
control of affairs that they will be  
shelved high and dry. They know  
or they ought to know that the Re-  
publicans do not expect to elect an  
officer in the county unless it be  
the representative. They know  
that the Republicans will bend  
every effort to bring that about.  
With that fact accomplished the  
danger of Cookrell's defeat be-  
comes greater. Every Democrat  
in Iron county who "indorses the  
thoroughly American adminis-  
tration of our President" should  
support this ticket. Every Democrat  
in Iron county who is proud of the  
Booker Washington episode, who  
believes in negro equality, who be-  
lieves that all social barriers should  
be removed and the negro taken  
into our schools and our hearts and  
our homes, who believes that  
ignorant and corrupt negroes  
should be placed in the best po-  
sitions in the gift of the President  
in the south should unite to help  
defeat honest John Horn for the  
Legislature. Every Democrat who

feels that his past political career  
has been a fraud and a sham, who  
is ready to admit that his pro-  
fessions of loyalty to the Demo-  
cratic ticket was a hollow mockery  
should vote for this independ-  
ent (?) ticket. But don't forget  
that when the election is over that  
these so-called Democrats who are  
giving aid and comfort to the  
enemies of Democracy and free  
government will be the dearest  
ducks, politically, in Iron county.  
—Centerville Reformer.

### Saved His Life.

J. W. Davenport, Wingo, Ky.,  
writes, June 14, 1902: "I want to  
tell you I believe Ballard's Snow  
Liniment saved my life. I was  
under the treatment of two doctors,  
and they told me one of my lungs  
was entirely gone, and the other  
badly affected. I also had a lump  
in my side. I don't think that I  
could have lived over two months  
longer. I was induced by a friend  
to try Ballard's Snow Liniment.  
The first application gave me great  
relief; two fifty cent bottles cured  
me sound and well. It is a won-  
derful medicine and I recommend  
it to suffering humanity. 25c, 50c  
and \$1.00 at Arcadia Valley Drug  
Co."

makes the second load that has  
been sold at that place.

ited relatives at Bismarck last

### Cures Winter Cough.

J. E. Gover, 101 N. Main St.,  
Ottawa, Kan., writes: "Every  
fall it has been my wife's trouble  
to catch a severe cold, and there-  
fore to cough all winter long.  
Last fall I got for her a bottle of  
Horehound Syrup. She used it  
and has been able to sleep soundly  
all night long. Whenever the  
cough troubles her, two or three  
doses stop the cough, and she is  
able to be up and well." 25c, 50c  
and \$1.00 at Arcadia Valley Drug  
Co.

### Goodland Items.

These are certainly the corona-  
tion days of the year. Autumn is  
here in all its beauty of golden.

Trautman and Brooks have nearly  
finished molasses making.  
Mrs. Elizabeth Brooks was called  
to Cortois by the illness of her  
daughter's child.

Dr. and Mrs. Adams spent last  
week with their daughter, Mrs.  
Johnson, in Lesterville.

Mr. and Mrs. F. M. Adams are  
going to the fair this week.

Misses Ella and Flora Eaton are  
guests of their brother, J. S. Eaton,  
at Edge Hill.

Miss Alice Love spent Sunday  
with Miss Jennie Snyder.

Mr. Steel, a candidate, called on  
Goodland voters last Friday.

Sorghum and corn bread go very  
well together—sometimes.

Mr. and Mrs. Robert Bays and  
their sons were guests of Dr. Adams  
last week.

Mr. and Mrs. Albert Turner of  
Ped Point visited here, Mrs. Mary  
Adams Saturday.

Both the Oakdale and Clayton  
schools at Goodland are progress-  
ing nicely. Both teachers are  
young ladies of sterling worth and  
are striving after higher excellence  
among their pupils and to a close  
observer, the improvement of the  
children is noticeable in a marked  
degree. Our teachers should re-  
ceive the encouragement of all pa-  
trons of their schools.

The annual Association of United  
Baptists met at Oates and had a  
good meeting. The Association  
meets at Goodland next year.

At the last meeting of the Baptist  
church of this place, Rev.  
Chester was re-elected pastor for  
the ensuing year.

And we don't eat any cabbage!

The light of smiles shall fill again  
The lids that overflow with tears,  
And weary hours of sorrow and pain,  
Are promises of happier years.

There is a day of sunny rest,  
For every dark and troubled night,  
And grief may hide, an evening guest,  
But joy shall come with early light.

For God has marked each sorrowing day,  
And numbered each secret tear,  
And heaven's long age of bliss shall pay,  
For all his children suffer here.
